

# Weekly Connection Gr. 3 FI

April 24 - May 4,  
2017

## LITERACY

## SOCIAL STUDIES, SCIENCE AND HEALTH

## MATH

### Oral Communication

For the rest of the year, there won't be specific sentence structures learned. Our Literacy program will be integrated with our Health, Social Studies, and Science units.

### Reading

Students are bringing books home at their level. We are reading every day during our integrated units, French, and Daily 5 (Reading to self, Reading to another, Guided Reading with teacher, Listening to Reading, and Reading in Groups)

After reading stories or texts, we retell them, using the Shape-Go-Map (beginning, middle, and end)

### Writing

We are describing a place we have visited.

### Social Studies

In S.S., we are looking at the different landforms in NB, more specifically mountains, bodies of water, and vegetation. We will also look at our climate as well as rural areas and urban cities in NB.

## ENGLISH

### Science

In our Science unit, Invisible Forces (Magnets), we will be looking at a compass and how it works, iron filings and what happens when a 2 magnets are near them with same poles pointing towards each other and opposite poles. We will also look at current and static electricity as well as how lightning happens.

### Math

We will continue to look at representing numbers up to 1000.

Finding partners to 10, 20, and 100, Facts to 18. Doubles

Skip counting by 1, 2, 5, 10, 25, and 100.

3 digit addition with and without regrouping.

Subtraction using mental math and 2x2 and 3x3 subtraction, using a strategy of their choice.
