

Weekly Connection Gr. 3 FI

Sept. 12-16,
2016

LITERACY

SOCIAL STUDIES, SCIENCE AND HEALTH

MATH

Oral Communication

We will be learning how to say in French:

I am ___ years old.
I have ___ friends. Her name is/His name is...
Review all structures learned so far.

Reading

We will be learning about the following sounds:
i/y

Writing

Using the sentences learned during our Oral Communication, students will introduce themselves by stating their name, their age, in what grade they are and how they are feeling. They will also introduce their friend.

Social Studies, Science, Health

These units will be started in a few weeks. Some of the units will be done during our Literacy units and some will be done in English.

Math

We will be learning numbers up to 70 in French.

We will continue to look at representing numbers up to 200, using manipulatives, numbers and pictures. Representing:

- numbers, pictures (base ten blocks), identifying how many hundreds, tens, and ones.

Finding partners to 10 and 20

ENGLISH

In English, we will start reading a book called <Madame Belzille> where students will start responding and reacting to the chapters read.
